Introduction

Ninelands Nursery admissions policy has been updated in conjunction with Early Years Sufficiency Team, Children's Services, and Leeds City Council in accordance with the national Nursery Admissions Code.

Since September 2011 all children have the right to free Nursery provision from the term after they become 3 until they start primary school, up to a maximum of 15 hours a week (570 hours per year, spread over at least 38 weeks). You may be able to apply for up to 30 hours free childcare (1140 hours per year, if your child is three or four years old. Please see page 12 for more information or visit <https://www.gov.uk/apply-30-hours-free-childcare>

All parents / carers must follow the application process. Once a place has been offered at our Nursery, parents and our Nursery will need to agree how the hours are to be spread over the week. We will use the preferences indicated on the application form for the hours you would like your child to attend Nursery in order to allocate your session as soon as possible following your formal offer of a place. It should be noted, however, that we cannot guarantee to be able to meet all requests for preferred hours/sessions and you are encouraged to be as flexible as possible when completing your options. Where there are more requests for the same session than places available the oversubscription criteria on page 5 will be used to allocate sessions.

Should parents request children's lunches, extra Nursery hours or wrap around care, this will incur a charge. The charge for additional Nursery provision and wrap around care is published in this brochure.

Expression of interest

Prior to applications opening, you can register your interest by contacting the Ninelands school office (please see the contact email and phone numbers on page 6 of this brochure) or alternatively email our School Business Manager, Helen Manners-Vaughan at office@ninelands-school.co.uk.

This is not an application only an expression of interest. You MUST submit a formal application before the deadline date (see page 3). Applications forms will be available on our school website or by contacting our school office at office@ninelands-school.co.uk when applications open.

Applications

Parents and carers are strongly advised to carefully read the information and advice given in this brochure and on the application form before completing their application.

It is important to take into consideration the criteria used to allocate places (see admissions policy page 5) and to be realistic.

Our Nursery normally only accepts free government funded new starters at the beginning of a term, the term after your child is three years old. Please refer to the table below which shows the earliest time your child can start at Nursery for government funded free Nursery provision. However, limited spaces are available for fee paying Nursery provision for children aged 3 years old. Please contact our School Business Manager, if you would like to discuss this option.

Applications for a Nursery place will only be accepted through the application form, which is available from our school website or by contacting our school office at office@ninelands-school.co.uk. Completed application forms should be returned as specified on the form.

Dates and deadlines for applications are summarised in the table below;

- The processing of all applications will be done centrally by our School Business Manager, Helen Manners-Vaughan. Any queries should be addressed to her (see contact details on Page 5).
- All places will be allocated strictly in accordance with this admissions policy. The criteria listed in the Admissions Policy show how children are allocated places and in what order.
- Parents will be notified of a place being offered by email, using the email address provided on the application form. Letters will be sent where no email address has been given.
- To start Nursery in September 2021 offers of places will be issued in April 2021, to start in January 2022 offers made in November 2021 and to start Nursery in April 2022, offers

will be made in February 2022. Offers are issued nearer the start date to ensure accuracy of place and session availability.

- Please note our Nursery may become over-subscribed for the September intake so places may be unavailable to start in either the following January or April.
- Parents need to accept the offer of the place by contacting our school directly on or before the date advised within their offer letter. Additionally, parents / carers will need to contact school directly regarding the sessions their child is to attend. It is in parents' interest to do this as soon as possible.
- Failure to accept the place could lead to the offer being withdrawn.
- In compliance with The School Admissions Code (Section 86 (1A) of the SSFA 1998.19) we reserve the right to request a copy of the shortened birth certificate or adoption order confirming your child's date of birth once an offer of a place has been made.

Admissions Policy

**PLEASE NOTE THAT A PLACE IN OUR NURSERY DOES NOT
AUTOMATICALLY QUALIFY A CHILD FOR A PLACE IN OUR
PRIMARY SCHOOL.**

**THERE IS A SEPARATE APPLICATION PROCEDURE FOR PRIMARY
SCHOOL PLACES.**

If the number of applications does not exceed the number of places available, all applicants with a first preference for our Nursery will be granted a place there. Should there be more applications than available places (oversubscription), the following oversubscription criteria will be used to allocate places:

Criteria 1

Children with special educational needs who have an Education Health and Care Plan (EHCP) will be allocated a place at the Nursery prioritised by the parents or carer unless our Nursery is unable to meet the special needs of the child.

Criteria 2

a) Children fostered or looked after under an arrangement made by the local authority. Also included in this group will be children who have been adopted during the twelve months preceding the submission of the application form.

b) We will also allocate places to other children without an Education Health and Care Plan (EHCP) who have exceptional medical or mobility needs. Applications must be supported by a letter in writing from a doctor or other relevant professional. Each case will be considered on its merits.

Criteria 3

Children with brothers or sisters who will be on roll at our Nursery or school **at the start of the term when the applicant's child is to start**. We can give priority for brothers and sisters only if they are living in the same house and we receive the application by the closing date. (See note 1)

Criteria 4

Children for whom our Nursery is the nearest. (See notes 2 and 3)

Criteria 5

Any other children.

Tie break

In cases of oversubscription, within each criterion remaining places available will be allocated according to distance. Therefore, children living closest to our Nursery will be allocated a place before those who live further away.

Waiting lists

When a parent receives notification of that a Nursery place has not been offered due to being oversubscribed, parents or carers may then request that their child's name is entered onto a waiting list for our Nursery. Places which become available will be filled from the waiting list, giving priority in accordance with the criteria of this admission policy.

Late applications

Late applications will be considered and processed after all on-time applications. Where places are available and a late application form has been received, for example, should a family move into the area during a school term or where a child is eligible to start imminently due to their date of birth, a place may be offered in accordance with the criteria of this admissions policy and a start date outside of the normal beginning of term start dates may be agreed in consultation with our school.

Details and explanations

Note 1

For these purposes, brothers and sisters must be living at the same address as the child for whom a place is being requested. This also includes children living with the family. For example, foster children and stepchildren are also included. The definition does not include cousins or families sharing a house.

Note 2

The distance between home and the Nursery is measured as a straight line between the centre of our Nursery and the home. The Royal Mail Postcode Address file is used to determine a postcode.

Note 3

For admission purposes, the home address is where the child usually lives with their parent or carer. Parents or carers must not give the address of a child-minder or relative. When we make an offer, we assume the child's address will be the same at the time the child starts Nursery as the one we have on record. If there is a plan to move house, parents must still give the current address. If a child's address changes after the deadline for submission of applications, parents or carers must inform our School Business Manager, Helen Manners-Vaughan, of the new address.

30 hours free early year's education entitlement (FEEE)

At Ninelands Nursery, we offer Nursery places for universal 15 hours free early education and also 30 hours additional free early education.

From the term after their third birthday all children are eligible for 15 hours Free Early Education Entitlement (FEEE) for 38 weeks of the year, this is known as the **universal entitlement**. From September 2017, this was extended to include an **additional entitlement** for some families. If eligible, a family can claim an additional 15 hours a week for their child, at a childcare provider of their choice, totalling a maximum of 30 hours a week for 38 weeks of the year.

- For working families, including the self-employed, in the UK
- Earning under £100k and at least £131 per week (equal to 16 hours at the National Minimum or Living Wage) each
- Who aren't receiving Tax Credits, Universal Credit or childcare vouchers
- With children aged 0-11 (or 0-16 if disabled)

You're not eligible for the additional entitlement if:

- your child doesn't usually live with you
- the child is your foster child
- either you or your partner has a taxable income over £100,000 (this is not a combined income limit)

You can claim 30 hours free early education at the same time as claiming Universal Credit, tax credits or childcare vouchers.

If you can't work

You may still be eligible if your partner is working, and you get Incapacity Benefit, Severe Disablement Allowance, Carer's Allowance or Employment and Support Allowance.

How to apply?

To take up the additional entitlement for your child, you must apply for a 30 hour voucher code on the Childcare Choices website at <https://www.gov.uk/apply-30-hours-free-childcare> . If you do not have access to the internet, or are struggling to apply for a voucher code, please contact the HMRC Customer Care number on **0300 123 4097**

Next steps?

Providing you have received a voucher code, the next step is to take this code to a childcare provider(s) of your choice to confirm your eligibility. Your childcare provider(s) will check your code with the Local Authority to confirm eligibility. Please note; the production of a valid voucher code is no guarantee a place will be available for the extra hours at your chosen Nursery only verification you are eligible.

Please note:

- If you are eligible, you are expected to reconfirm your details every 3 months with HMRC, you will receive reminders of when to do this. Your code will not change.

If you have any questions, please don't hesitate to contact the Family Information Service on **0113 378 9700** or by emailing feequeries@leeds.gov.uk.
