30 hours free early year's education entitlement (FEEE)

Ninelands Nursery offers a limited number of places for 30 hours free early education.

From the term after their third birthday all children are eligible for 15 hours Free Early Education Entitlement (FEEE) for 38 weeks of the year, this is known as the **universal entitlement**. From September 2017, this was extended to include an **additional entitlement** for some families. If eligible, a family can claim an additional 15 hours a week for their child, at a childcare provider of their choice, totalling a maximum of 30 hours a week for 38 weeks of the year.

- For working families, including the self-employed, in the UK
- Earning under £100k and at least £131 per week (equal to 16 hours at the National Minimum or Living Wage) each
- Who aren't receiving Tax Credits, Universal Credit or childcare vouchers
- With children aged 0-11 (or 0-16 if disabled)

You're not eligible for the additional entitlement if:

- your child doesn't usually live with you
- the child is your foster child
- either you or your partner has a taxable income over £100,000 (this is not a combined income limit)

You can claim 30 hours free early education at the same time as claiming Universal Credit, tax credits or childcare vouchers.

If you can't work

You may still be eligible if your partner is working, and you get Incapacity Benefit, Severe Disablement Allowance, Carer's Allowance or Employment and Support Allowance.

How to apply?

To take up the additional entitlement for your child, you must apply for a 30 hour voucher code on the Childcare Choices website at <https://www.gov.uk/apply-30-hours-free-childcare> . If you do not have access to the internet, or are struggling to apply for a voucher code, please contact the HMRC Customer Care number on **0300 123 4097**

Next steps?

Providing you have received a voucher code, the next step is to take this code to a childcare provider(s) of your choice to confirm your eligibility. Your childcare provider(s) will check your code with the Local Authority to confirm eligibility. Please note; the production of a valid voucher code is no guarantee a place will be available for the extra hours at your chosen nursery only verification you are eligible.

Please note:

- If you are eligible, you are expected to reconfirm your details every 3 months with HMRC, you will receive reminders of when to do this. Your code will not change.

If you have any questions, please don't hesitate to contact the Family Information Service on **0113 378 9700** or by emailing fееqueries@leeds.gov.uk.
