

50 Recommended Reads –

Year 4

To support parents and carers in choosing the best books to read with their children, we have compiled an age appropriate list for each year group.

We hope that these books will help to engender a life-long love of reading in our pupils.

If your child is a competent reader or has read many of the titles listed for their age group, why not try out some of the books from the next year up to give them a challenge?
