

Extra-Curricular Clubs Spring 2020

Please find below information regarding this term's clubs, which run during and after school. All clubs are free. We really appreciate the time staff give to running such clubs, which is done on a voluntary basis, in their own time to enhance the opportunities that school can offer. If you would like to offer to run or support an after school club, we would be delighted to hear from you. If your child would like to join any of the clubs listed in the table below, please log in to our 'Parents Evening/Clubs Booking system'. **Bookings can be made from Wednesday 11th December at 6.00pm. Please register your interest by Monday 16th December.** A link is available on the school website at www.nineland's-school.co.uk under the 'Parents' tab. Select 'Web Links' and then 'Parents' Evening/Events Booking System'. This will take you to a login page where you will be prompted to enter your title, first name, surname, email address and your child's name. You will receive an email once you have registered your interest but please do not send your child until they have brought home written confirmation that they have got a place. We will do our best to try to fit your child into one of their chosen clubs, however they have restrictions so some children may miss out but will be placed on a waiting list. If you do not have access to the internet to make bookings, please contact the school office staff who will make appointments on your behalf.

Many thanks,
Mrs Lewis
