

Internet Safety Parents' Presentation

Feedback from parents who attended.

"The session was very informative."

"... it gave me good awareness of internet safety skills."

"... I learnt lots of new ideas and skills."

"I thought the session was very helpful."

"...you referred us to a range of helpful websites which could be used in the future."

"The handouts were very useful guides. Thank you!"

"Well presented!"

"I can't believe how quickly things change on the internet."

"... I'm amazed at how quickly it takes for something else to be 'in vogue' online"

"...it reinforced some actions I already take and provided me with some I hadn't thought of."

"It gave me some great tips. I'm very glad I attended."
